Sure go ahead and draft one with the new location included, the dates, etc. Of course this will be used as the notice mailer as well as the Ad. So actually it's two formats.

We can draft one for you or update the old one as well, if you wish.

Donn, we did not do the public notices for San Jacinto. We mailed out a Fact Sheet in August, but that is the extent of the work on that site to date by Toeroek.

Thank you.
